

Community Supported Agriculture (CSA)

Buying a share in a CSA farm guarantees you a box of fresh, local nourishing vegetables, fruits, and other foods every week from spring to fall.

Come meet Central Wisconsin's CSA farmers, learn about their farms, hear from CSA members, and sign up to be part of a farm that is good for you and the landscape!

Wednesday, March 19th 2008

6:30 to 8:00 PM

Portage County Public Library

1001 Main St. , Stevens Point
